AKC Canine Good Citizen provides a great option in training your dog in a group environment. CGC stresses good manners in the presence of people and other dogs. CGCA is designed to evaluate a dog's real world skills in a natural community setting. CGCU is a public access test that demonstrates dogs are well behaved in public settings. I believe mastering the advanced skills covered in CGC, CGCA, and CGCU will aid in obtaining a therapy certification. NOTE: Therapy dog certification is required by most health care facilities and schools for visiting dogs and handlers. Open to all dogs that have completed the household obedience one. Testing for the CGC, CGCA, and CGCU is included in the fee.
